CAUTION REGARDING FORWARD-LOOKING INFORMATION

Certain statements in this presentation may contain statements which are forward-looking statements. These forward-looking statements are identified by the use of terms and phrases such as “anticipate”, “believe”, “could”, “estimate”, “expect”, “intend”, “may”, “plan”, “predict”, “project”, “will”, “would”, and similar terms and phrases, including references to assumptions. Such statements may involve but are not limited to comments with respect to strategies, expectations, planned operations or future actions. Forward-looking statements relate to analyses and other information that are based on forecasts of future results, estimates of amounts not yet determinable and other uncertain events. Forward-looking statements, by their nature, are based on assumptions, including those described below, and are subject to important risks and uncertainties. Any forecasts or forward-looking predictions or statements cannot be relied upon due to, amongst other things, changing external events and general uncertainties of the business. Such statements involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements to differ materially from those expressed in the forward-looking statements. Results indicated in forward-looking statements may differ materially from actual results for a number of reasons, including without limitation, energy prices, general industry, market credit and economic conditions, competition, insurance issues and costs, supply issues, war, terrorist attacks, epidemic diseases, acts of God, changes in demand due to the seasonal nature of the business, the ability to reduce operating costs and employee counts, secure financing, employee relations, labour negotiations or disputes, restructuring, pension issues, currency exchange and interest rates, changes in laws, adverse regulatory developments or proceedings, pending and future litigation and actions by third parties, as well as the factors identified in the Risk Factors section of the Fund’s MD&A dated August 5, 2009. The forward-looking statements contained in this discussion represent the expectations of the Fund and Jazz as of June 30, 2009, and are subject to change after such date. However, the Fund and Jazz disclaim any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as required under applicable securities regulations.
